### IT IS SERIOUS.

Some Barre People Fail To Realize This Seriousness.

The constant aching of a bad back, The weariness, the tired feeling, The pains and aches of kidney ills Are serious—if neglected. Dangerous urinary troubles follow. A Barre citizen shows you how to avoid them.

C. Milne (retired), address 35 Branch St., says: "When I first noticed a dull aching in the small of my back, about three years ago I did not pay much attention to it, although very often the twinges radiated to the shoulders. But by and by, when I noticed it every morning when getting up after an hour or so, and when in the evening I sat down to read a newspaper I found that the dull chronic aching kept up its aggravation, then I became anxious about my condition, for I knew there was some disturbed action of the kidneys. I was often so nervous from the irksome aching that I was compelled to get up and walk around the rooms so as to keep the miserable feeling under subjection. When suffering very acutely I happened to read about Doan's Kidney Pills and I was induced from the advertisement to go to E. A. Drown's drug store for a box. After a few days' treatment I noticed a decided improvement and a continuation of the use of the pills completely stopped the annoying attack. Since then I have not noticed any symptoms of a recurrence."

For sale by all dealers. Price 50 cents, Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.

Remember the name—Doan's—and take no other
